"T" harflerindeki noktaları birleştirelim ve yazalım.

.....

The diagram consists of a series of vertical dashed lines arranged in two horizontal rows. The top row contains 15 dashed lines, and the bottom row contains 10 dashed lines. The first 10 dashed lines in the top row are enclosed within a light blue rectangular box. The last 5 dashed lines in the top row and all 10 dashed lines in the bottom row are enclosed within a light red rectangular box.
